[Taetia]: "It worrrked."  
[Taetia]: ((Flames? I had flames?))  
[Charlie]: "uh....hope you won't do that again..."  
[DaermaDM]: (light effect only because you are a Pyro.)  
[Ethan]: "so who is in charge when erok is down people??"  
[Taetia]: ((Ah))  
[Taetia]: "Ethos I would think, as his the seniorrr memberrr."  
Ethos begins to salvage the remaining pieces of the alter  
(Melondar whispered to DaermaDM): if now isnt a good time, just say so, but have you looked over my char yet?  
[Ethan]: "I then await your orders Ethos."  
Charlie tries to help hoser  
(Ethos whispered to DaermaDM): Whats the alter worth cloud  
Ethan stands guard, listening and watching for the next wave  
Taetia lends Ethos a hand  
[Charlie]: bandaging and stuff...  
[DaermaDM]: the bits and pieces of the altar that you recognize do have draconic emblems on them. but it will take time to piece it back together to read.  
[DaermaDM]: ((hoser is goo))  
[Charlie]: well nevermind then  
Taetia begins searching the draconian corpses  
Ethos looks around the room at Erok's legion and says I'm going to decode this alter's emblems, and then sleep in the mansion and recharge and then head back to town

[Ethan]: "think i will go stand by that other door, in case they coming rushing back out now, if that is allright?"  
Charlie looks for the dragon's wand  
[Taetia]: "Surrre. What should we do? Just sit tight?"  
Ethos begins reconstructing the alter and the dragon emblems  
[DaermaDM]: you find it charlie.  
[DaermaDM]: you also find another one..  
Ethos looks around try searching the room for secret doors  
[Ethan]: "shouldnt we be moving while you are resting? or find a good place for us to rest?"  
Ethos maybe even treasure the dragonkin might of had  
[Erok]: (( remember the " around speech " Ethos ))  
Charlie sticks the wands in her belt for now  
Ethos looks at Ethan..."We will sleep in the mansion, or if we can make it out of this place fairly quickly then we will do that"  
[Ethan]: "i do not feel comfortable leaving the mansion unguarded while we all sleep."  
[Charlie]; ((do the wands have writing on them?))  
[Ethos]: "Search the bodies, search the room for secret doors, and stand gaurd at the entrances...Legion"  
[Taetia]: "One of us could borrrrow vinnies cloak and sneak out."  
Taetia is searching the bodies  
[Taetia]: "Carrrrrying the otherrrs in the mansion"  
Ethos continues the decoding of the alters emblems  
[DaermaDM]: they each have runes on them, but you can't understand them..  
[Hosenfeffer]: ((brb))  
Ethan moves to guard the entrance  
Charlie searches for secret doors  
Ethos casts a read magic, and a comprehend languages spell to enterpret the runes  
DICE for Charlie: (1d20+7) : 1d20=4 = [ 11 ]  
Ethan stands guard at the door the lizard monster ran out  
(Melondar whispered to DaermaDM): how will you treat hiding and moving silently for drow?  
[DaermaDM]: ok everyone give me 5 minutes..  
[Taetia]: ((k))  
[Hosenfeffer]: ((back))\  
[Charlie]: ((ok))  
[Melondar]: ((ok))  
[Hosenfeffer]: ((ok))  
[DaermaDM]: <http://www.daerma.com/Room%2013%20Treasure.htm>  
[DaermaDM]: that is what is found in the room.  
Ethos casts a read magic, and a comprehend languages spell to enterpret the runes  
[DaermaDM]: in addition, every single one of the dragonkin is wearing Leather armor +2  
[DaermaDM]: 28 of them  
[Ethan]: (woah!!))  
Taetia collects the treasure on the corpses and their armor and chucks it into the bag  
[Taetia]: ((Sweet))  
[Ethan]: ((wouldsnt some of them been burned up in all the fireballs?))  
[Charlie]: ((would that leater armor fit me?))  
[DaermaDM]: (some of them couldbe damaged. and i'll figure that out later..)  
[Taetia]: ((The url isn't working cloud...))  
[DaermaDM]: now remember none of the items are id'd yet..  
[Erok]: (( worked okay for me ))  
[DaermaDM]: use IE  
[Taetia]: ((There we go... stupid case sensitive.))  
[Erok]: (( NEVER !! ))  
(Ethos whispered to DaermaDM): /he casts a read magic, and a comprehend languages

spell to enterpret the runes

[Charlie]: ((i'll have to look later...or i'll freeze up...))

Taetia finishes collecting armor and treasure then turns to Ethan "Want to help me get that corrrpse into the mansion? I hearrr the scales make good arrrmorrrr"

[DaermaDM]: ok ethos, you piece together that it was another altar to Bahamut

[Ethan]: "sure, if it will fit."

Ethos shakes his head

Ethan comes over to help, still keeping one eye on the door

[Taetia]: "Of course it'll fit."

[DaermaDM]: you know nothing else this quickly.. the shrine really is a mess..

[Charlie]: "here ethos, can you read these?"

[Taetia]: "You everrr cook drrrragon beforrrre?"

[Ethan]: "I meant will it fit through the entrance.'

Charlie hands him the wands

Ethos studies the alter to see if its still consecrated

[DaermaDM]: no ethos.

[Ethan]: "can't say i have, got some recipes in my head for 'em tho."

Ethos looks at the legion..."Bag the alter"

[DaermaDM]: and not just by the dragons fall..

[Taetia]: "I always thought some magic type thing made it fit no matter how big it is.."

Ethan shrugs

[DaermaDM]: ethan you hear something banging lightly on the door..

Taetia begins shovelling shards into the bag, then returns to the corpse

[Ethan]: "sounds like we got company coming people....."

Ethos puts Eroks head in a bucket...."We should be going now legion"

[Charlie]: "good idea..."

[Ethan]: ((which door dm? from behind where we came? or ahead where the bad lizard thing went?))

[DaermaDM]: yeah he head was too hard even for a falling dragon to smash....

[Taetia]: ((We've not managed to get the corpse into the bag, have we?))

Charlie helps bag stuff, quickly

[Erok]: :)

[DaermaDM]: ((ahead ehtan i thought hat was the door you were guarding

[Ethan]: ((nod- just making sure))

Ethos takes the shape of a dragonkin .... "Legion hide!!!"

[DaermaDM]: ((yes all of ethos' tests to time in which you bagged the room..))

Charlie jumps in the bag

Ethan hops in the bag

[Ethan]: ((mansion))

[Charlie]: (9only place to hide...

Taetia tosses the bag o' holding to ethan and jumps in the mansion

Hosenfeffer bleeds

[Taetia]: ((Ethos I mean!))

[Ethan]: ((chuckle t))

[Ethos]: After the legion is in the bag.../he in dragon-kin form goes to the door

[Taetia]: ((Hosenfeffer, a couple tons of fat bastard dragon fell on you.. You don't have any blood anymore.))

Ethan smiles, as he picks up the picnic basket he left at the entrance

Ethan pulls out a sandwich plate "sandwich anyone?"

Ethos opens the door in the direction from which we came

[DaermaDM]: you hear someone speakingin draconic. "Get the door open the master should have returned already.."

[Taetia]: "What kind?"

[Charlie]: "sure

[Charlie]: "

[DaermaDM]: (fromt he door they fled through)

[Ethan]: 'hmmmm, peanut butter and jam, and some kind of roast meat."

[DaermaDM]: the door is sealed and will not open ethos

Ethos responds "We were under attack!!!, where were you!!!"  
Charlie munches a sandwich as she sorts out hoser's parts into a bucket  
[DaermaDM]: there are no sounds coming from this direction.  
[Taetia]: "Surre, I'll take the rrrroast, thanks."  
[Ethan]: "ahh this one here's still a little bloody, made it just for you."  
[DaermaDM]: ((ethos i think you got the doors confused..))  
Ethan hands one to Taetia  
[Taetia]: "Thanks"  
Taetia munches on it  
Ethos studies the door checking to see what its made of  
[Ethan]: ((they are at the door, they left ethos, one we havent been through yet))  
Taetia finishes "I'm going to go wash off and see if I can find some clothes, since I destrroyed my otherrrs"  
Taetia leaves  
[Ethos]: ((ok))  
[DaermaDM]: ethos look on the map folder..  
Ethan pulls out a bottle of wine  
[Ethan]: "mighty battle, brings on a mighty thirst, uh huh"  
Ethan slugs back about half the bottle  
[DaermaDM]: ok this door you are by is closed and will not open.  
[Ethan]: "ahhh"  
[DaermaDM]: what are you doing?  
Ethan wipes his mouth with his sleeve, and offers the bottle  
Charlie accepts  
Ethan reaches in and unwraps a large handkerchief "cookie?"  
(Taetia whispered to DaermaDM): Didn't I taint that bottle with shifter saliva two sessions back?  
[Hosenfeffer]: ((pore some of that wine on the ground for you homies))  
[Ethan]: ((laugh))  
[Charlie]: ((i'll pour it in your bucket...))  
[Taetia]: ((Nah, I think Hoser would benefit more from a bicycle tire pump.))  
[Charlie]: "thanks"  
[DaermaDM]: Ethos is laggin but icq comes through..  
(Melondar whispered to DaermaDM): how will you treat hiding and moving silently for drow in daerma?  
[DaermaDM]: finding the door won't open for him he activates a power and melds intot the wall next to the door.  
[ Halfgiant left the game ]  
Charlie stays listening by the door of the mansion  
[ HalfGiant joined the game ]  
(DaermaDM whispered to Melondar): until i read the descript again i dunno.  
Ethan munches a few cookies  
(Taetia whispered to DaermaDM): Any chance of infecting them thusly?  
(Melondar whispered to DaermaDM): ok then  
HalfGiant opens his eyes..."did I make it to the other side?"  
(DaermaDM whispered to Taetia): no T  
[DaermaDM]: ((yes) you went  
(Taetia whispered to DaermaDM): Damn. Time for more volitile methods... Ivan's Lab still in there?  
[DaermaDM]: the door at the other end of the hall is stillopen.  
Ethos will dump the party out of the mansion  
[DaermaDM]: (had you saved your sheet since you made all the mods to it ethos?)  
[Charlie]: ""oof"  
[Ethos]: ((no I hadn't))  
[DaermaDM]: (save the one in the map folder.  
[Ethos]: ((no big I still had a fair amount of work to do on him anyway))  
[DaermaDM]: )  
[DaermaDM]:  
[Taetia]: ((Did I manage to find any clothes? Or am I still butt nekkid?))

Ethan has his hand in his mouth feeding himself "umph a wha?"  
Ethan looks about  
Ethos begins to think back in his memory for a nice defenseable room, that the legion has been in.  
[Charlie]: "now what?"  
[DaermaDM]: well you were teleshifted into room 12 right in front of the altar.  
[DaermaDM]: stay out of there folks...  
[DaermaDM]: other than that you know of no other rooms in this area.  
[DaermaDM]: (you all keep clicking on my map)  
[Taetia]: "Any ideas on how to get the hell out of here?"  
[Ethan]: "shall we hurry on back to daerma? '  
[Taetia]: ((By accident, I was aiming for the map folder.))  
[Erok]: (( dey should just click on Map Folder ))  
[Ethan]: ((same here dm, sorry))  
[ HalfGiant left the game ]  
[Erok]: CCS  
[ Doppelganger joined the game ]  
[DaermaDM]: Ethos walks into room 12 and stands in the spot he first remembered appearing in..  
[DaermaDM]: a few seconds later he disappears...  
Charlie will just follow ethos...  
Taetia follows  
[DaermaDM]: charlie as he disappears, you see a rock show up.  
(DaermaDM whispered to Ethan): you are back in the small room..  
[Charlie]: "hey is that mine?"  
(Ethan whispered to DaermaDM): can we see that map anywhere?  
[DaermaDM]: (it is the rock one of you threw into that small room.)  
[DaermaDM]:  
Charlie picks it up  
[Charlie]: (('twas me))  
Ethan follows  
(Ethos whispered to DaermaDM): what room does that put me know smoke?  
[DaermaDM]: the other map is now on the workbench folder.  
Charlie disappear, too?  
[DaermaDM]: nope  
[Taetia]: "Well now what do we do.."  
Ethan stands where ethos was, and tries to mimic what he did  
[DaermaDM]: what do you do charlie, ethos?  
Charlie waits, then puts the rock back down  
(Ethos whispered to DaermaDM): didn't ethos teleport?  
(Ethan whispered to DaermaDM): ok, i am not with them?  
Charlie is where ethos was, right now  
(Ethos whispered to DaermaDM): what room is he in..is there a map for it?  
[DaermaDM]: (those in room 12 (which is all but ethos hold on..))  
(DaermaDM whispered to Ethos): look at the workbench folder.  
(DaermaDM whispered to Ethos): i put the map there..  
[Taetia]: ((Damn you Ethan, mentioning that sandwich made me hungry. Now I'm jonesing for roast beef sammiches.))  
[Taetia]: ((And I don't have any roast beef =P ))  
[Ethan]: ((laugh))  
Ethos picks up a rock, and places it where he pop'd in at  
(DaermaDM whispered to Ethos): and then you what?  
(DaermaDM whispered to Ethos): stand next to it? move? what?  
(Ethos whispered to DaermaDM): try and activate the teleporter  
(DaermaDM whispered to Ethos): ok  
Ethan looks at who's with him, and just has a confused look  
[Erok]: (( i just had some yummy chicken salad on ritz crackers ))  
[DaermaDM]: charlie as you bend over to put the rock down, ethan walks up next to you. and you both disappear.

[Charlie]: ((dammit.....roast beef.....yum))  
[Hosenfeffer]: ((sorry if I'm not saying to much))  
[DaermaDM]: and reappear in the small room you were in once before,  
Taetia steps over to where they stood and starts poking around  
[DaermaDM]: ethan you show back up in the altar room  
[Charlie]: "i think my rock is magic..."  
[DaermaDM]: err ewthos...  
[DaermaDM]: ethos even  
[Ethan]: "allright, where's ethos gotten to?"  
Taetia blinks a bit  
[Taetia]: "Hello again"  
Charlie steps out of the room, and tosses the rock in  
[DaermaDM]: ehtan any action?  
(Ethos whispered to DaermaDM): /he grumbles and tries activating the teleporter again  
Ethos grumbles and tries activating the teleporter again  
Ethan is confused, tries to go to the hallway to stand guard  
(DaermaDM whispered to Ethos): you figure out there is no activation, it just seems to happen...  
(DaermaDM whispered to Ethos): roll a spellcraft dc20  
[DaermaDM]: after a few seconds, Charlie, you see Ethos and Taetia appear.  
[Charlie]: "hah, magic rock"

[DaermaDM]: Ethos and t you find yourselves int he small room you all left from..  
[Taetia]: ((God I'm hungry. Afk 5 min, just following along with the others))  
(DaermaDM whispered to Ethos): it kicks every 30 seconds automatically.  
[Charlie]: ((is the rock there?))  
Ethos speaks to the legion..."Lets leave the room seems to activate every 30 seconds"  
Ethan is hopefully standing in the hallway  
Ethos moves to the hallway  
[Charlie]: "ok, didja grab my magic rock?"  
(Ethos whispered to DaermaDM): ((which map should I be looking at hall\_1-2?))  
[Ethan]: "so, we head for home? try top get our companions brought back, split up the goodies, and regroup, then return boss?"  
[DaermaDM]: there is now only 1 map.

[Charlie]: "ah, true.."

[DaermaDM]: ((for ethos' benefit

Erok 's goo silently splooges away from the Forsaken one....

[Taetia]: ((Mmmm.. coke and steak sammich))

Ethos head down the narrow tunnel

[Ethan]: "I have a possible idea....."

[Charlie]: ((quit....i don't have anything to eat here...))0

[DaermaDM]: you are back in the main hall, where you were attacked by the skulls it is empty. and the door is closed.

Ethos spins around looks at Ethan..."Yes? What the idea?"

Charlie follows ethos

[Ethan]: "could we not just use one of those doors like erok does, go up high, then start for home?"

Charlie runs into ethos...

Ethos looks at Ethan..."Start up high and head for home??? What do you mean?"

Ethos peaks in the door

[Taetia]: "D-door our way out?"

[Ethan]: "i dont know. i mean something like we magic ourselves high above the ground, you turn into a bird or something, and fly us away from the city. after that you can land, and i can run us on home, you and me can alternate."

[DaermaDM]: Ethos you open the door?

Ethos peaks into the room, but not before scanning it for brains sentience

[DaermaDM]: there is no room.

[Melondar]: ((ethan I would want to try bringing the mansion and that bag of holding throug an extradimensional portal...))

[DaermaDM]: what the fuck are you talking about...

[Melondar]: ((wouldnt not would))

[Ethan]: ((we have done d-doors with them several times allready))

Ethos is going to try and back track to the point of entry in this dungeon

[Melondar]: ((oh well...))

[DaermaDM]: then you need to go through the door the icon is next too. and it is closed. what do you do.

Ethos scans the door and if no sentience then he peeks in

[Ethan]: "well, i think its a good idea."

DaermaDM shakes his head sadly.....

[DaermaDM]: i am going to give you the benefit of character knowledge...

[DaermaDM]: ethos since you have Eidetic memory, you recall that all these doors were trapped the first time around...

[Melondar]: ((Cloud I assume you have read "Passage to Dawn"))

[Ethan]: ((not to mention his find traps spell from last week is likely still on))

Ethos casts a find traps spell based off what he remembers of the dungeon

[DaermaDM]: so i highly doubt you go opening a closed doorthis time..

[DaermaDM]: ((note to self... the CHARACTER has the Eidetic memory not the player....))

[DaermaDM]: ko

[DaermaDM]: surprise it is trapped.

[Ethos]: ((the player is horribly absent minded))

[Erok]: (( i'll second 'dat ))

[DaermaDM]: (( i know so is the DM it is a nasty combination.))

[Ethan]: "can you at least please think about my idea, i think it has possibilities."

Ethos spins around..."Whos the thief"

[Charlie]: ((hehe))

[Charlie]: "ah...me?"

Ethos looks at Ethan.."Who has D-Door?"

[Charlie]: "not me"

[Ethan]: "well, i was watching erok carefully, and i think i could manage it."  
Ethos mentally talks to Charlie while carrying on a conversation with Ethan..."Charlie please take care of the trap on the door"  
[DaermaDM]: charlie as you foind the trap opo on this door the first time, you look and see it has been reset.

Ethos looks at Ethan..."Its not a bad plan...I didn't think anyone could D-Door besides Erok"  
Charlie tinkers with the trap  
[Ethan]: "well..... i think i just learned how to... at least i think i can."  
[DaermaDM]: no prob charlie  
[Ethan]: "not sure how strong of one it will be, but how high would i need to get us for it to work?"  
[Charlie]: "mm, i actually got it this time..."  
[DaermaDM]: (when did you get d-door ethan?)  
[Ethan]: ((this level, just rp'ing it))  
[DaermaDM]: ((cool))  
Ethos cocks and eyebrow at charlie.."Get'n good at that I see"  
[Charlie]: "yeah"  
Ethos now scans the door, and then peaks in  
Charlie looks pleased  
[DaermaDM]: you see a hallway behind ...  
[DaermaDM]: empty..  
[Ethan]: "say four or 500 hundred feet straight up from here work boss?"  
Ethos begins back tracking to point of origin.  
Ethos looks at Ethan that will probably suffice  
[Ethan]: "well, you want to give it a try, see if i can do it?"  
[DaermaDM]: 400' +40'/level and you get 1/2 level.. so +240'  
Ethos looks at Ethan ..."That will probably suffice"  
[Ethan]: ((i know dm, my character doesnt))  
[Charlie]: "we goin' up, then?"  
[Ethan]: "perhaps you could put on an invisibility spell of some sort, to mask us."  
[DaermaDM]: you walk to the stairwell and up the stairs and find yourselves in the set of rooms where you fought the vampires...(not the exact room but same style..  
[Ethan]: "or borrow vinces cloak."  
Charlie keeps an eye out for vamps  
Ethos scans into the room  
[Ethan]: "personally i do not think we should get in another battle."  
[Charlie]: "personally i don't think i'd survive another battle right now..."  
[DaermaDM]: ((i said you went into the room which implies you scanned it and found nothing...))  
[Charlie]: "huh, didn' survive the first one..."  
[DaermaDM]: ((what are everyones levels now?))

Ethos speaks to the legion..."everyone into the bag, I need to work through the

[Melondar]: ((Ill change it once Im finished doing what Im doing right now))

Charlie hops in the bag

Ethan sighs "i still think my idea is best, but if you dont boss, i guess i will wait in the bag

[Ethan]: "

Ethan gets in

[Charlie]: ((i got to go...need sleep))

Taetia hops in the mansion

[Charlie]: ((it's midnight here))

[Ethan]: ((same here charlie))

[DaermaDM]: ok i'm gonna spee dthis up.

[Charlie]: ((k, i'll stick around ))

(Ethan whispered to DaermaDM): sorry, tried to speed things up for you. but i am LG, have to follow orders

Ethos changes into a pixie and flies through the tunnels

[DaermaDM]: ethos FINALLY gets back to the room you all staryted this in.. then ethan does the dim door and comes out 400' feet above the city.. jumps in the bag, ethos then flies out grabs the bag and you are off..
